

PRIVACY STATEMENT CORAX APP

GENERAL

Davanti Warehousing BV (Davanti) has created this Privacy Statement to demonstrate our commitment to the individual's right to data protection and privacy. We respect the privacy of our visitors and customers and we ensure that the Personal Data we obtain is treated confidentially.

Davanti has built the CORAX App as a commercial application for mobile devices. The CORAX App is provided by Davanti and is intended for use as is. This Privacy Statement applies to the processing of data and the use of cookies in the CORAX App and governs data collection, processing and usage.

The CORAX App can be downloaded from the private App Store Apperian. Davanti will provide a username (company user name) and password which can be used to download the CORAX App from the App Store. This third party private App Store may collect information for identification. For the privacy policy of Apperian, a product of Arxan, we refer to the following link: <https://www.arxan.com/privacy-policy>.

Once the CORAX App has being downloaded 'users' can be defined.

This Privacy Statement only applies for downloading and using the CORAX App.

COLLECTION OF YOUR PERSONAL DATA

When you download the CORAX App, we ask you to provide login details like (company) user name and password. This information will only be used for identification to get the download on your mobile device.

For each user we will store Personal Data like user name and password and all user transactions in the Microsoft Azure Active Directory. All data will be stored in a local (per region) data center of Microsoft.

During the configuration of the CORAX App on a mobile device the system will ask your approval to use the camera onboard. The camera will only be used for barcode scanning in the warehouse.

In case of an error in the CORAX App we will automatically collect data and information about your mobile device by making use of (technical) cookies. Cookies are also being used for convenience of the user. Collected information (including Personal Data) can include your IP address, browser type, domain names and access times. This information will only be used for the purpose as described in the paragraph 'Use of Cookies'.

USE OF PERSONAL DATA

Personal Data collected via cookies will only be used to operate and optimize the CORAX App. The Personal Data stored in the Microsoft Azure Active Directory and in the Microsoft Azure table storage will be used for operating the CORAX App and managing the warehouse employees.

You can always decide to stop using the CORAX App including the camera. The CORAX app and its cookies will be removed from the device. The Personal Data stored in Microsoft Azure Active Directory and in Microsoft Azure table storage will be kept, but not longer than necessary.

STORAGE OF PERSONAL DATA

All Personal Data we collect will be stored in Microsoft Azure on servers in the region where your company is located. Only Davanti employees who are authorized (on need to know basis) have the possibility to access the data for maintenance and support purposes. Davanti employees could operate from outside 'your' region.

At Davanti, we do not retain your Personal Data longer than necessary for the purposes for which we collected the data.

DISCLOSURE OF PERSONAL DATA

We will not disclose any information you provide to us to any third party without your consent, except as stated in this Privacy Statement and unless we are required to do so by law.

USE OF COOKIES

The CORAX App uses cookies to help you personalize your online experience.

A cookie is a text file that is placed on your hard drive by a web page server. Cookies cannot be used to run programs and cannot deliver viruses to your device. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you. Cookies allow us, among other things, to store your preferences and settings.

There is a variety of tools to control cookies, web beacons and similar technologies, including browser controls to block and delete cookies and controls from some third-party analytics service providers to opt-out of data collection through web beacons and similar technologies. See for further explanation about cookie control:

For Internet Explorer: <https://support.microsoft.com/en-us/help/17442/windows-internet-explorer-delete-manage-cookies>

For Safari: <https://support.apple.com/en-gb/guide/safari/manage-cookies-and-website-data-sfri11471/mac>

For Chrome: <https://support.google.com/chrome/answer/95647?hl=en-GB&hlrm=en>

For Firefox: <https://support.mozilla.org/en-US/kb/cookies-information-websites-store-on-your-computer>

For Opera: <http://help.opera.com/Windows/10.20/en/cookies.html>

Our CORAX App uses the following cookies:

* Strictly necessary cookies. These are cookies that are required for the operation of the CORAX App. They include, for example, cookies that enable you to log into secure areas of our website.

* Functional and technical cookies. These are used to recognize you when you return to a page / screen in our CORAX App. This enables us to personalize our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

Most web browsers automatically accept cookies, but you can usually modify your browser settings to decline cookies if you prefer. If you choose to decline cookies, it could be that you may not be able to access all or parts of our Website.

SECURITY

Davanti values your trust in providing us your Personal Data, thus we are striving to use commercially acceptable means of protecting it. Remember that no method of transmission of data over the internet or method of electronic storage is 100% secure and reliable.

RIGHT TO ACCESS, CHANGE OR DELETE PERSONAL DATA

You can review your Personal Data stored in the CORAX App databases and correct, erase or block any data that is incorrect, as permitted by the GDPR. If you want to exercise your right please submit a request per e-mail.

You have the right to delete your user ID and password from the Microsoft Azure Active Directory and from the Microsoft Azure table storage. You can exercise your right by contacting your system administrator or by contacting us. If the user ID has been deleted it is not possible to use the CORAX App any longer.

CHILDREN UNDER THIRTEEN

The CORAX App is not developed for anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. If you become aware that a child has provided us with Personal Information, please contact us.

CONTACT INFORMATION

Davanti welcomes your comments regarding this Privacy Statement. If you believe that the Website has not adhered to this Privacy Statement, please let us know.
